## LET'S TALK LOGISTICS

**Technology Needs** Presentations are one hour PowerPoint/Keynote show and talk. I will come prepared with a presentation on a laptop to work with any standard projector. I would require an outlet/multiple outlet surge protector for power for both projector and laptop. A screen or blank, light wall is fine in a room that can be made appreciably dark.

**Fee** \$150 local. Out of Buffalo Niagara, negotiable. Travel outside a 30-mile radius by car subject to mileage expense of 55.5 cents per mile. Other travel arrangements and overnight accommodations expenses to be determined. Everything is negotiable, so let's talk!

**Let's work together** Are there other groups to share expenses with? How to best sell signed copies of her books? Can Jim give a book as a door prize?
